COURSE OBJECTIVES
The course is designed for clinicians who wish to acquire basic skills in ultrasound of the abdomen and a general overview of Ultrasound in Tropical Medicine. Imaging specialists who want to acquire knowledge in the field of Infectious Diseases and Tropical Medicine can benefit from this course as well.
It is also designed for MDs who plan to work in tropical/resource poor areas or who are already experienced in field work but need to refine their skills in this diagnostic tool.
Emerging and re-emerging infectious diseases that used to be virtually unknown to physicians in industrialized countries are now increasingly encountered because of immigration from endemic countries.
The course can be of help to those clinicians working in industrialized countries who frequently take care of those groups.

LOCATION
Collegio Giasone del Maino
Via Luino 4, Pavia - Italy

ACCOMMODATION
It’s possible to reserve a room at Collegio Del Maino, the same where the course takes place. Inquire with the organizers to verify the availability.

Regular Fee (euros) 950
Participants from Asia, Africa, South America 550
Residents 400
Medical Students enrolled in Italian Universities 250

PAYMENT
Payment must be addressed to
Beneficiary: AUMI Associazione Ultrasuoni in Malattie Infettive, Via Santa Franca 50 - Piacenza
Bank: Banca Intesa Sanpaolo, Piazza Paolo Ferrari 10 - Milano
IBAN: IT39 T030 6909 6061 0000 0012 356
Swift Code: BCITITMM
Ref.: Short Course 2020
PROGRAMME

Monday, 11 May 2020
14.00 - 15.00
Registration and welcome to participants

15.00 - 15.30
Basic principles of ultrasound and Knobology
Enrico Brunetti

15.30 - 16.00
Artifacts
Enrico Brunetti

16.00 - 16.15 Coffee break

16.15 - 18.00
Live scanning

Tuesday, 12 May 2020
09.00 - 11.00
Role of US in the epidemiology of infectious diseases
Calum Macpherson

11.00 - 11.15 Coffee Break

11.15 - 13.00
Ascariasis
Chiara deBernardis

13.00 - 14.30 Lunch

14.30 - 15.30
Abdominal abscess
Enrico Brunetti

15.30 - 16.30
Ultrasound in HIV associated TB
Tom Heller

16.00 - 16.15 Coffee Break

17.00 - 18.00
Live scanning

Wednesday, 13 May 2020
09.00 - 10.00
Diagnosis of Cystic Echinococcosis
Francesca Tamarozzi

10.00 - 11.00
Ultrasound in tropical heart conditions
Tom Heller

11.00 - 11.15 Coffee break

11.15 - 13.00
Filariasis
Francesca Tamarozzi

13.00 - 14.30 Lunch

14.30 - 15.00
Ultrasound in lung infections
Tom Heller

15.00 - 16.00
ID Case studies in ultrasound
Francesco Taccari

16.00 - 16.15 Coffee break

17.00 - History Walk "Streets of Pavia"

Thursday, 14 May 2020
09.00 - 13.00
Scanning real patients at the CE clinic
Enrico Brunetti, Francesca Tamarozzi

13.00 - 14.30 Lunch

14.30 - 16.00
Treatment of Cystic Echinococcosis
Enrico Brunetti

16.00 - 16.15 Coffee break

16.30 - 18.00
Live scanning

Friday, 15 May 2020
09.00 - 11.00
Trematodes and US
Joachim Richter

11.00 - 12.00 Tests and Diplomas

FACULTY

Enrico Brunetti, Staff, Division of Infectious and Tropical Diseases, University of Pavia, Italy

Chiara deBernardis, Sanacare Stadelhofen, Zurich, Switzerland

Francesco Taccari, Gemelli Hospital, Rome, Italy

Joachim Richter, Institut für Tropenmedizin und Internationale Gesundheit, Charité, Berlin, Germany

Tom Heller, Lighthouse Clinic, Lilongwe, Malawi

Calum Macpherson, St. George’s University, Grenada, West Indies

Francesca Tamarozzi, University of Pavia, Italy
